

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

Our cable rates have already gone through the roof and with the Comcast/AT&T deal it is going to get worse. Please remember the consumer. We need a voice too!
